Case No.: EP-06-CR-517PRM

United States of America
Respondent

1. The Petitioner was found guilty, and was convicted in this court of Conspiracy to Distribute 50-500 grams of Cocaine Offenses. By a judgement entered on 08/23/2006, the Petitioner was sentenced to the custody of the Bureau of Prisons for a term of ~~12~~ 11 months.
2. The Petitioner has been identified as a person eligible to seek a reduction of her sentence pursuant to 18 U.S.C. §3582(c)(2), based on the United States Sentencing Commission's 2011 retroactive guideline amendment.
3. The Petitioner is currently incarcerated at the S.F.F. Hazelton Facility in West Virginia.
4. The Petitioner received a reduction sentence of _____ months on _____, based on the United States Sentencing Commission's 2007 crack cocaine guideline amendment.

5. The Petitioner's new amended guideline range is 51 months to 63 months based on a Base Offense Level 24, Criminal Category I.

6. The Petitioner notes that at the time of sentencing, the court relied heavily on the advisory guidelines in establishing a starting point for determining a fair and just sentence. In the Petitioner's view, the amendments to the guidelines pertaining to crack cocaine represent a change in the fundamental philosophy and statistical assessment upon which the guidelines are premised. In accord with this change as a result of the Fair Sentencing act of 2010, and having considered the factors set forth in 18 U.S.C. §3553(a), the Petitioner prays that this Honorable Court will reduce her sentence to months.
